A Note from Tim

Winter is finally upon us and with that brings icy conditions. The walk ways around the club have been very slick this year and I would just like to remind everyone to be careful. I will do my best to make sure they are salted daily.

February will bring some change to IGC. We now have a new menu that has been well received and we invite everyone to come in and give it a try. We will be running a couple of theme nights this month. One will be an all you can eat Rib Night on the 8th and the other will be an all you can eat Prime Rib on the 24th. Reservations in advance for these nights will be greatly appreciated and will help our kitchen prepare accordingly.

I look forward to meeting any members I have yet to be introduced too and wish everyone a safe and happy February.

~Tim
