Saturday, June 11th - Prime Rib and Shrimp Buffet

New! Join us on Saturday the 11th for this great buffet. We will feature chef carved prime rib, fried shrimp, shrimp scampi, potatoes, vegetables, full salad bar and dessert for \$19.99. We WILL NOT have menu service that night, only the buffet starting at 5pm and running until 8pm. Please call us in advance for reservations, this helps us know how much to prepare for. This will be a fun night and we hope you will attend. Remember to invite other members and also bring in guests.

Call 235-5145 for reservations or if you have any questions.

A Note from Steve

Everything is finally in full gear, with Tuesday league starting as well as ladies and mens days, Friday couples and tournaments going as well. It has been a slow spring so far but we are hoping for more golfers and business as the weather gets better. We had a few outside bookings in May and we a lot of things booked here in June and July as well but we should have room for open dining each night, except the Monday golf outings.

We are trying a few new things this year - with our bucket of beer (4 of our imports and whatever you want to mix and match) for only \$12. We also will be featuring a 8oz fresh cut sirloin, potato and veg for only \$7.99 each Tuesday League night. Also new, we will be serving a prime rib and shrimp buffet on Saturday, June 11th.

Have a great summer and we hope to see you out on the course and in the club house.

~Steve

JUNIOR GOLF: Junior golf starts June 13th. If you haven't received information you can let us know and we can email it or you can stop and get the info in the pro shop. Please register before June 10th. We assess the number of kids in each session and make changes to the age groups if we need to. Waiting until June 13th and just showing up will cause issues with how many instructors per students we have.

MWGA STATE EVENT: Come out and watch some of the best female golfers in the state. They tee off around noon on Tuesday and at 8:00 am on Wednesday.

They have a small turn out for the state event, so some golf will be available Tuesday morning. The driving range available morning and evening on Tuesday. Wednesday the ladies can start playing at 1:00! So, we have a regular Wednesday schedule starting at 1:00. Men can play after 5:00 p.m.

MEMBER / GUEST: This event is filling up fast. Listed below is the agenda:

Friday	June 24th	1:00 Shotgun	Stableford Competition
		6:00	Hog Roast / Games
Saturday	June 25th	8:30 Shotgun	Round 1 Matches
		11:30 Shotgun	Round 2 Matches
		2:00 Shotgun	Round 3 Matches
		6:00	Dinner
Sunday	June 26th	8:30 Shotgun	Round 4 Matches
		11:45 Shotgun	Round 5 Matches
		2:15	Calcutta
		2:30 Shotgun	Shoot-out

COUPLES NIGHT: Every Friday night we have couples night. We select a different 4 person team game, mainly scramble formats. Find a couple and make a tee time. Tee times usually run from 4:00 to 6:00. \$3.00 per couple with all the money paid back in gift certificates. If you don't have a couple lined up there may be others looking so please let us know you want to play. There will be no couples on June 24th.

If you don't participate in couples night there is open golf Friday nights. Couples night takes up only one nine so we can get you out to play on the other nine.

LEAGUE: Reminder there is no league on June 7th due to the MWGA event.

We want to continue working on little details, but they add up to cause turf issues.

1. One cart per twosome / two carts per foursome
2. No carts on the driving range
3. Stay on the cart paths on all par 3's
4. Keep carts 20 or more yards away from the green - I have seen this around the 18th green and 9th green where people drive between the green and trap and behind 18 green and the bushes.
5. One black set of cart marks should be enough to tell us not to drive through an area.

Thanks again for all your support in the pro shop. With the internet making items available I really appreciate the people that support us and allow us to continue providing items in the pro shop. We are fortunate to have this support.

A Note from Clint

We certainly had plenty of precipitation in the month of May. The rain, although, was beneficial in getting seed to germinate in the fairways and rough. Minimizing cart traffic in the fairways over the past few weeks has also helped the new grass have a chance to mature. Cart restrictions on the fairways should be back to normal the first week of June. Also, the tree cleanup should be wrapped up here in the next couple weeks. Finally, with some warm weather ahead, I would like to remind golfers to continue to be conscious of the following:

- **Keep carts at least 20 yards from the greens**
- **Stay on cart paths on par 3's (All par 3's have continuous cart paths)**
- **Please fix your ball marks on the greens**

I hope everyone is enjoying the course and that June brings some better golfing weather.

Thanks

~Clint
