### A Note from Steve

It's hard to believe summer is coming to an end. We had a great summer and we hope you all did too. September is a great time to get out and golf, with the cool mornings and warm afternoons, so get out and continue to enjoy golf. We have a lot going on this month as you can see from the calendar, but we do not have any nights the club house is closed due to parties, except our annual Invitational Saturday night. In the next few weeks we will start dropping some of our sandwiches off our menu and start expanding our dinner menu, such as adding on pastas and other new items. Dinner Club Memberships will go on sale Sept 15<sup>th</sup>. We will also start our popular Tuesday Night Themed Buffets on Sept 22<sup>nd</sup>. It is not too early to start booking your Christmas parties for December and January as time slots are starting to fill. Have a great September and enjoy a great month of golf!

We have ended our season long lessons free to all members - This went very well for the ones that joined us. Next year we are looking to grow this and make it more social. We want to have a lesson and then socialize in the club house and discuss items about golf that would familiarize people with the game of golf. All in all we accomplished lessons on putting, chipping, full swing and then took it to the golf course one night and played a hole and discussed rules and etiquette, alignment and how to keep pace with groups.

Ladies please consider joining us for the Stagette on Wednesday September 9th. It is a four person best shot (Scramble) with the pro making the foursomes. Golf is followed by dinner and a meeting.

Interlaken Invitational - September 11, 12 and 13th. This event is in its 43rd year. This is a mens event and it is stroke play for two days. Friday is a practice round with a fun event and then putting and chipping contests. Members can sign up in the proshop and can invite guests to play. It is a very competitive event if you like competition.

Junior Golf - Thanks to Connie Stenson we have a nice display of our junior golfers in the hallway. We have pictures of the three groups available if you would like one. The pictures were taken the last day, so if your child was there the last day we have a picture for you.

Our member incentive green fee program has been a big success. The one area we see big improvement in is the number of reunions and weddings. Keep this in mind to have the golf and receptions at Interlaken. Thanks to everyone that has brought that business to our club.
